DEPARTMENT OF ENERGY  
Federal Energy Regulatory Commission

Coordination between Natural Gas  
and Electricity Markets

Docket No. AD12-12-000

Notice of Commission Meeting

Take notice that, pursuant to the Commission order issued on November 15, 2012,<sup>1</sup> a representative from each regional transmission organization (RTO) and independent system operator (ISO) will appear before the Federal Energy Regulatory Commission (Commission) on May 16, 2013, from 1:30 pm (EST) to 3:30 pm (EST), to share information related to natural gas and electric coordination. The meeting will be held at the Federal Energy Regulatory Commission, 888 First Street, NE, Washington, DC 20426. All interested persons are invited to attend the meeting, and no advance registration is necessary. Commission members will be present.

Following a series of regional technical conferences conducted in August 2012, the Commission issued an order directing further conferences and reports in the above captioned docket on November 15, 2012. In the November 15 Order, the Commission directed each RTO and ISO to appear before the Commission on May 16, 2013 to share its experiences from the winter and spring and describe the progress it has made in refining existing practices to provide better coordination between the natural gas and electric industries and ensure adequate fuel supplies. The Commission also directed RTOs and ISOs to address any natural gas transportation concerns that emerged during the winter heating season and identify any fuel-related generator outages during the winter and spring.

This meeting will not be transcribed. However, there will be a free webcast of the meeting. The webcast will allow persons to listen to the meeting, but not participate. Anyone with Internet access who wants to listen to the meeting can do so by navigating to [www.ferc.gov](http://www.ferc.gov)'s Calendar of Events and locating the meeting in the Calendar. The
